12. Close

Thank you so much to all of our wonderful panelists and thanks to all of you in attendance for taking time on a lovely summer sunday afternoon to participate in this workshop. It has been an honor to serve you all today. "In closing, we would like to remind you that in Debtors Anonymous we practice anonymity. This assures us the freedom to express ourselves at meetings and in private conversations without fear that our comments will be repeated. We keep what is shared at meetings confidential. 'Who you see here, let it stay here, but what you hear here, please take it with you.' As we work the Steps and practice D.A.'s Traditions and Concepts, we are reminded that recovery is possible and that we are all here for a common purpose—to recover from compulsive debting one day at a time."
